Outstanding Total Is Donated by the Synod

Sum Given Support Fund Best in 18 Years.— Kings Mountain Leads

The Synod of North Carolina sent $109,562.90 to the support fund of the Presbyterian Orphans' Home at Barium Springs to surpass a 1927-1928 peak of $109,372.-03 which is believed to be the greatest amount ever sent in any one single year. Records were checked back through 1925-1926. The increase over 1941-1942 was $13,409.02.

In the giving of the past 12 months a new leader forged ahead, for top honors in per capita giving in 1942-1943 go to Kings Mountain Presbytery which replaced Concord, which had this distinction in 1941-1942. Concord took second place. Except for a switching of positions by Granville and Albemarle, the standing of the Presbyteries is the same as it was when 1941-1942 ended. Granville takes over fifth place, dropping Albemarle back to sixth.

Every one of the nine Presbyteries showed a gain in the grand total, ranging between a $3,003.26 advantage for Fayetteville Presbytery to a low of $109.64 for Winston-Salem. In between were the following increases: Concord, $2,-277.50, Wilmington, $1,927.56; Mecklenburg, $1,697.79; Kings Mountain, $1,697.14; Orange, $1,-597.96; Granville, $593.41, and Albemarle, $504.76.

Concord, Fayetteville and Kings Mountain Presbyteries gave their greatest sum in any one year since 1927-1928, and Mecklenburg, Orange and Wilmington had the distinction of contributing their second best total in that period of time.

Of the grand total of $109.552.-90, 51.1% was the Thanksgiving Offering of 1942 and 48.9% arrived on a regular basis, or respective amounts of $56,013.38 and $53,539.62. There was a $9,658.15 gain in the Thanksgiving response, and $3,750.87 more regularly.

The regular receipts came from the following sources: Sunday Schools, $23,282.12, or 43.5%; Church budgets, $19.719.11, or 36.-8%, and Auxiliaries, $10,538.29, or 19.7%. The regular increases over 1941-1942 were: Sunday Schools, $2,056.66; Church budgets, $1,-377.97, and Auxiliaries, $316.24. Detail on regular income follows:

Presbytery	Ch.	S. S.	Aux.
Albemarle	$ 493.97	$1,197.68	$1,134.56
Concord	3,325.77	3,755.49	1,204.89

TOTALS	$19,719.11	$23,282.12	$10,538.29

There were 897 organizations that had a part in the regular donations, distributed between 332 church budgets, 299 Auxiliaries and 266 Sunday Schools. The number of organizations in each Presbytery is as follows:

Presbytery	Ch.	S. S.	Aux.

$16,175.00 In Bonds

"The Regents of the Orphans' Home, a corporation, Barium Springs, N. C." were the words typed on three $25.00 Series F bonds that a friend recently sent to Barium Springs and which are becoming part of the proposed church fund. This friend asked that his church, Mooresville First, receive credit for the donation, but didn't want the public to know his name.

Two other bonds (denomination unknown) will be coming soon, for officials have been told that these have been bought for that church, the idea being instilled through reading in The Messenger that a $100.00 bond had been sent. As soon as the bonds are properly made out, they will be forwarded and will be added to the many others now on hand and which total $16,175.00 for the church of the future.

The friend who sent those $75.00 in bonds read The Messenger, for the suggested way in which the bonds were to be made out was followed. This insures no difficulty in eventually redeeming them, since the name of no official is on the bond. Anyone else wanting to buy bonds for the church are urged to use the above wording and to buy the Series F, which can be owned by a corporation.

Sunday Schools Give Greatest Aggregate

111 Sunday Schools Reach New Individual Peaks.— Was 43.5% of Regular Income

Sunday Schools of North Carolina that participated in a regular plan of supporting Barium Springs during 1942-1943 sent their greatest total in history to the Home, and while so doing, 111 of the 266 Sunday Schools helping last year established new all-time individual peaks for themselves.

The following shows the rise in Sunday School giving over a period of a decade, and it will be seen that the 1942-1943 aggregate was $2,056.66 better than the 1941-1942 total which stood at the top until the recently concluded year:

Year	Amount
1933-1934	$13,446.42
1934-1935	15,594.03
1935-1936	16,490.62
1936-1937	18,458.19
1937-1938	18,780.42
1938-1939	18,698.32
1939-1940	20,030.74
1940-1941	20,383.84
1941-1942	21,225.46
1942-1943	23,282.12

It so happens that the $23,282.12 sent was 43.5% of the income from the Synod on a month-by-month basis. That total does not include any Thanksgiving Offerings, memorial donations, or clothing funds, but simply is limited to regular support fund donations.

The 111 individual Sunday Schools going to the greatest heights were:

Albemarle Presbytery—Ahoskie, Farmville, Fountain, Greenville, Jason, New Bern, Newsome's Chapel.

Concord—Back Creek, Centre Outpost, Cleveland, Fairview, Kannapolis 1st, Landis Chapel, McKinnon, Mooresville 1st, Mooresville 2nd, Park Place Chapel, Poplar Tent, Prospect, Salisbury 2nd, Sherrill's Ford.

April Receipts Low

As usual, the receipts from the Synod of North Carolina for the first month of the new year were unusually low in comparison with other months, but of encouragement was the fact that $336.92 more arrived in April of 1943 than was sent in April of 1942. Sunday Schools sent $1,204.99; Church budgets $399.50, and Auxiliaries, $243.98. The following is the table of income for last month:

Winston-Salem	$ 206.11	3.8c

76 Sunday Schools In Final $100 Club

Greatest Number Enrolled In Group In Any Year, Many For First Time

Seventy-six Sunday Schools - the greatest number in any single year - gained membership in the $100.00 Club during 1942-1943 by virtue of having dispatched the minimum amount of $100.00 on a regular basis in the past 12 months. Fifteen new ones entered the Club, most of them for the first time in history, while four dropped out. The net gain in members is 11 on a comparative basis with the 65 of 1941-1942. Toward the close it was interesting, too, that more than one Sunday School sent a special amount to Barium Springs in order that they might be so classified.

Newcomers were Fountain in Albemarle Presbytery; Church-in-the-Pines, Covenant, Manly and Sunnyside in Fayetteville; Mulberry, Philadelphia, Sharon, Thomasboro and West Avenue in Mecklenburg; Madison in Orange; and Elizabethtown, Immanuel, Jacksonville and Wallace in Wilmington. Dropping out of the Club last year were George W. Lee Memorial, Newton, Saint Paul (F) and Rutherfordton.

The 76, divided into clubs of various denominations, follow:

Sunday School	1941-1942	1942-1943

Annual Reports Made to Board of Regents

Effects of War On Home Cited In Superintendent's Report.— Other Data Revealed

Annual reports by the superintendent and treasurer on the operation of the Presbyterian Orphans' Home for the fiscal period of 1942-1943 were heard here May 11 by the Board of Regents in semi-annual session. Despite the inconvenience of travel and rationed gas, 14 of the 20 members were here for committee meetings and the board's deliberations. Rev. S. H. Fulton, Laurinburg, presided as president.

Jos. B. Johnston, as superintendent, reviewed the varied activities of the Home and told about the changes being wrought in its operation because of the war effort. He reported several staff members as having left, either to enter the service or to participate in war activities, and touched upon other ways in which Barium Springs was affected. One necessity, he said, was to eliminate vacations to relatives and friends for the children because of travel conditions. He explained that plans were being made to offset this by local activity.

The population of the Hame, he went on to report, was predominantly made up of children of the grammer grades, because of recent large graduating classes and because of the enlistment of many of the boys in high school within the past two years as they reached the age when they would be accepted. The intake of children, he pointed out, has been unusually large recently because of the outgo.

"In spite of all of the difficulties that we've been under," said Mr. Johnston, "the activities picture as a whole is encouraging." He recited the achievements of the productive enterprises and mentioned that the health program had made a steady advance. Another year has passed without a death in the family of children, for a record of only one death in almost 17 years. He closed his report by mentioning the fact that over 150 of the alumni of Barium Springs were in the armed services all over the world.

The report of Ernest Milton, treasurer, showed the completion of another year of debt-free operation, that the $109.552.90 contributed by the Synod of North Carolina was the greatest support fund total in the past 18 years, that the institution would be on a cash operating basis throughout all 12 months of 1943-1944, and that during the year $12,201.40 was received in legacies. This report also showed that $15,600 of government bonds had been purchased for a proposed new church.

(FORM OF BEQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the laws of the state of North Carolina,* (HERE NAME THE BEQUEST)

A FRIEND - - $50.00.

The above caption is a line of type that has been appearing in The Barium Messenger every month for over a decade and a half, but it is being printed for the last time in this issue of the paper, for that staunch and loyal friend who was always so deeply concerned that his identity never be revealed has been claimed by Him whom he served so faithfully and so well.

Now that he has been summoned editorial mention is being made of this, but during his lifetime the donor would not have cared for any acclaim about his generosity, even though his name would never be mentioned. Even during his illness for several months preceding his death he did not forget to send the $50.00, for the sum came uninterruptedly, the last one being sent only a short time before he died.

The files at Barium Springs have many brief two-line letters from this friend. For a long, long while he always accompanied the check this way, "Enclosed please find check for $50.00. Never mention my name publicly or privately and oblige. Yours truly, ..." We always strickly adhered to this, and had the feeling that if we slipped up and published his name that he would have been inclined to stop the commendable practice.

Once we recall having written to him that we were personally acquainted with his new pastor. Quick as a flash he sent a letter with the request that we refrain from ever mentioning to his minister what he was doing. Of course, we had no idea of doing this, but he wanted to be doubly sure about it.

Only once - in October of 1926 - was his name mentioned when a $10.00 check arrived - the first in a series that was soon raised to $50.00 a month. The November, 1926, check was accompanied by the above request that has been abided by down through the years. He seemed assured that we would not publish his name and for the last several years he simply sent along the $50.00 in an envelope without any comment. Too, he wrote long, long ago and said that no acknowledgment to him was necessary. Occasionally, though, we couldn't restrain ourselves any longer and would "break over" and write hime words of appreciation.

Oftentimes we would like to have revealed who that friend was, so that others might rejoice with us in knowing of the individual who so generously helped - a friend who also liberally gave through the regular channels of his church. More than once some individual in his neighborhood remarked to us that one of the greatest friends of Barium was ————. To this we always naively replied, "We knew somebody was a good friend over there, because of the splendid donations from that church regularly and at Thanksgiving-time."

Maybe this friend wouldn't like even this comment today, but we felt impelled to make some mention of this in The Barium Messenger. During his lifetime he sent around $10,000.00 to the support fund of the Home, in addition to hundreds of other dollars for which he was responsible and which arrived through the regular channels of his church.

As we write this we are reminded of a statement that came in with a contribution last fall from a recent graduate of Barium Springs who wrote, "There is no limit to the good a man can do if he cares not who gets the credit. In other words, I would rather you not publish or mention this."

Other instances of people desiring that their identity be kept secret could be mentioned, too, for you will find every month donations listed in The Messenger as having been made by a friend or friends. Some of those gifts have been arriving for just as long a time as the $50.00 sums. Offhand, we are thinking of at least a dozen people who help regularly, at Thanksgiving or other times and nobody but the officials of the Home know what they are doing. We shall always faithfully and diligently try to conform to the wishes of all who make such a request. Sometimes we might publish such names by mistake, but if this happens it is simply because we are human beings, for "being human is to err."

EVIDENCES OF FRIENDSHIP

It has been said that a real friend is "one who knows all about you and still loves you" That is repeatedly corroborated by the friendship that the people in our neighboring city of Statesville display toward this Home at Barium Springs, as the latter is liberally supported by individuals in that city that is less than five miles from this Home.

This friendship, too, is displayed by individuals when the time comes for them to make their last wills and testaments, and in the last two years there have been two instances of this loyalty by friends who were not of Presbyterian affiliation. There was no urgency upon them by any official of the Home or any Presbyterian to remember the Home in their wills, but this was done on a voluntary basis and without any solicitation or presentation of this cause.

The most recent instance of this was the bequest of $1,000.00 which the late Mr. Isidore Wallace, of the Jewish faith, left to Barium Springs, along with a similar bequest to a Jewish Home in Atlanta, Ga. Another legacy was a $1,000.-00 sum which the late Mr. Frank Johnson, a Methodist, provided in his will. Mr. Johnson died in August of 1941.

These men lived in close contact with Barium Springs, they were great admirers of the efforts that were being done in the training of boys and girls and in their preparation for life, and simply wanted, by making these provisions, to give concrete evidence of their personal friendship and deep appreciation of the job being done here.

At the time of penning this, we have not received a copy of Mr. Wallace's will, to see whether any specific provision was made as to the disposition of his $1,000.00 bequest. If it was simply left to the judgment of the Board of Regents as to its use, then one-half of it will be placed in a reserve endowment for any future emergency when income might drop considerably, and the other one-half will be used for permanent improvements at Barium Springs. This was the decision of the Board when it met at Barium Springs this month.

In the case of Mr. Johnson, he specified that his $1,000.00 was to "be used and spent in the best possible interest of the children at Barium Springs." Had it not been for the war, part of his legacy was going to be used to put lights on the softball field, so that the ones busy working all day might have this kind of recreation at night. Just recently, we were able to purchase some lights from a Statesville firm to place around the swimming pool, and this is already paying dividends in the pleasure that the children are exduring the evening. Part of Mr. Johnson's legacy was used for this in carrying out his stipulations.

These are simply two instances of the regard of Statesville people, other than Presbyterians, for this Home. During their lifetimes many evidences of their friendship were manifested in gifts to Barium Springs. In this issue of The Messenger you will find Mr. Wallace's name several times as being a contributor of memorial donations in April, while he was very ill in a hospital, and in the June Messenger you will find numerous sums sent to us in his honor after his earthly career was concluded. Mr. Johnson was honored by such donations when he died, and more recently we have recorded a number of such remembrances in memory of his son, Ensign Frank L. Johnson, Jr., who lost his life at sea three weeks after an enlistment in the Coast Guard.

News From Most of the Cottages at Barium

WOMEN'S BUILDING

We have finally settled down after the Seniors' departure. We miss them very much but the new Seniors are already beginning to set fine examples for us all.

We have had quite a group of girls come to live with us. Some of them are Seniors who have been helping with the smaller children and helping at the Infirmary. The others have moved over here from Rumple Hall.

We are having warm, almost hot weather here now, and the swimming pool is the place to be. We have some lights at the swimming pool now; so we can go in swimming at night. And to top everything we have new bathing suits. They are lovely and we look like advertisements in the most stylish magazines (pardon our modesty, but we can't help being proud of them.)

The Daily Vacation Bible School has been open for two weeks. It is closing today and after school the pupils are having a picnic.

We want to thank Purcell's Store over in Salisbury for the dresses they sent to us. We enjoy wearing them. We are getting dresses from the sewing room, too. So we have a well stocked wardrobe.

Mr. Sams invited us to see Rhythm of the Islands, and we also went to see Pride of the Yankees. We enjoyed them both very much

STULTZ COTTAGE

We are sure having a good time now that the swimming pool is open again. We are putting lights around it so we may swim at night.

We have had a visit from some of our boys in the armed services as well as the ones going very soon. We also got nice letters from some boys who could not come.

We were invited to see a double feature movie called, "The Devil with Hitler" and "Rhythm of the Island", at the Playhouse, Thursday 13th. We enjoyed it very much and we thank you, Mr. Sams.

We now have some more boys in our cottage. They are taking the place of the ones who left us after graduation. We are very glad to have them in our cottage.

RUMPLE HALL

We are glad to have Miss Stevenson for our matron since Miss Reid is gone on her vacation. We hope Miss Stevenson will enjoy being with us.

We are tickled to have the following girls to come to stay with us at Rumple Hall: Vivian Jacumin, Lucille Brown, Betty Lou Williams, Betty Sue Wolfe, Annie Marie Andrews, Jean Turlington, Nellie Isenhour, Lorene Hall, Kathleen Monroe, Edna Thomas, Melva Powell, Mary Morgan, Barbara Anne Lewis, Gwendolyn Landrum, Joyce Katen, Elizabeth Johnson, and Bessie Dishman.

The following girls have had visitors: Betty Sue Wolfe had a visit from her sister and brother, the latter in the army. Annie Marie Andrews, Annie Star Langley and Ida Lee McBride had visits from their people.

Mary Morgan's little brother has recently come to live at Barium. We hope he will enjoy his stay here as much as we do.

We want to thank Mr. Sams for inviting us to the show. We certainly enjoyed it.

Miss Hardin has come back from her vacation. She reported a real nice time. She went to see her Mother and Aunt. While she was away we were very glad to have as our matron Miss Lilly Bryant, who graduated the past April.

Well folks it won't be long now until our camp opens. We always have such grand times. We just think our camp is better than any other. We know we are going to have an even better time this year, and, guess what, we get two whole weeks of it this summer.

Well, you be on the lookout for us next month and you'll see what a nice time we are having here at our beautiful home at Barium.

SEWING ROOM

This is station S. S. S. and S. bringing you the highlights and the news in this part of the fashion world. We have pratically a new sewing group since our last year's Seniors have graduated. We have made four cottage's dresses since school has been out. We have left our fancy work behind, and now all of us are making dresses. Of course, we give Miss Mona Clark the credit for helping us make these, because she is the one who cuts the dresses out.

Mr. Sams invited us to the show last week and we want to express our appreciation to him for doing this. We enjoyed it very much, Mr. Sams.

Our swimming pool is open now, and we know that we'll enjoy this sport very much this summer. We want to thank those who were good enough to make it possible for us to have lights around the swimming pool so that we can go in swimming at night.

Well Folks, I guess this is all the news until next month.

—The Sewing Room.

WALLACE COTTAGE

This is Wallace Cottage News, hot off the press each month. Colonel Von Stoof Negal (Jimmy Stafford) left us., but we had somebody to replace him.

Fred Cole is back down at the Woman's Building again with another flame. (Every time he goes down there he gets "burnt". His tragedy.)

All of our boys are getting romatic (their mistake). As chief reporter Earl Allen, I've had my to do with the ladies.

"Chug Chug" Ryder and his roommate, "Brogueful" Allen, are singing "Sweet Adeline". Dallas Ammons and Bennie Gregory are helping to sing the chorus with them. Dwight Spencer is singing bass, to our misfortune. Ray Lewis, chief bass singer, is down at the infirmary flirting with the little nurses.

Ed Blake and Scott Blue caught the first bus tonight to the fish pond, to do some frog gigging. We'll leave them down there while we read the latest poem written on Quad 2. (The poem was a little late getting here so will give it to you the next time we give you some more news. It may be five years from now so don't get impatient. We won't!)

I am sorry but all good things must come to an end.

Chief reporter: Earl Allen
Assistant: Charles Smith
P. S. By Bonds (Thanks)

CANNON COTTAGE

Since the last time we wrote you some news we have seven new boys. Their names are: Thad Stevens, James Hayes, Charles Barrett, Grady Mundy, James Reid, Tommie Hudgens, Jerry Young, and George Landrum.

We have been out of school for about three weeks and we are beginning to go to work again on the farm and dairy. All the rest of the groups have, too.

We are expecting to have a game of softball with Carnation Milk plant and we will tell you who beats next time.

The dairy boys took a day off and decided to work on the swimming pool so we can go swimming soon.

I guess we will have to close for this time. So Long.

News About Some of the Alumni

DEATHS.
Clinton M. Powell.

Clinton McComb Powell, a Barium alumnus who was widely known in the textile business, died in Lincolnton on April 10th, and was buried in Lenoir, the locality from which he and three sisters entered this Home. Mr. Powell arrived at Barium in August of 1895 and left in September of 1900 after a stay of slightly more than five years. He was 56 at the time of his death.

Mr. Powell attended N. C. State College and his work included the superintendency of the Cannon Mills in Kannapolis, sales engineer with the Whitin Machine Works of Whitinsville, Pa., general superintendent of the Johnson Mills in Charlotte and sales engineer for the H. & B. American Machine Co. of Pawtucket, R. I. At the time of his death he was superintendent of the Balston Yarn Mills in Lincolnton. He was a member of the Myers Park Presbyterian Church and maintained his home at 911 Ardsley Road, though working in Lincolnton. Death resulted from an illness of six weeks after a heart attack.

This alumnis was always interested in his old home at Barium Springs, and on one Home-coming Day when he couldn't be present he wired that he was sending $200.00 as his contribution to the alumni Thanksgiving Offering.

MARRIAGES
Billings-Hatcher.

An announcement has been received at Barium Springs to the effect that Helen Jewell Billings was married on March 27th in the First Christian Church of Newport News, Va. to Lieut. Robert William Hatcher of the United States Army. Helen worked in Statesville until several months ago when she went to Newport News, Va. to be affiliated with the Western Union Office there. No information was avialable as to the outfit with which her husband was identified. Mrs. Hatcher is living at 2307 Orcutt Ave., Newport News, Va.

Gant-? ? ?

Roland Gant wrote in that his brother, A. C. Gant, was married in Pensacola, Fla. on March 6th. Roland couldn't give us any information as to the name of the bride, but he said that they were living at 3201 West Gadeson St., Pensacola. A. C. is located at the U. S. N. A. T. C., Borin Field. Roland is on the U. S. S. Richmond, and receives his mail through the San Francisco postmaster.

Turner-? ? ?

In a recent letter Baxter Turner revealed that he was married on April 3, 1942 in Florida, but he did not give us the surname of his bride. He told us that her name was Louise. Baxter has been in California and has had a re-union with several of the Barium boys on the west coast. More recently he has been transferred to Glenview, Ills., % C. Q. T. U. N. A. He wrote that his wife was joining him there.

Mr. and Mrs. L. H. McLeod, Route 2, Fayetteville, announce the birth of a daughter, Sandra Gail, on May 8th. Mrs. McLeod is the former Annie Hare.

Mr. and Mrs. Carroll Black, of Mount Holly, announce the birth of a son, Carroll Black, Jr., on April 21st. Mrs. Black is the former Hattie Primm.

Personals.

Mrs. L. J. Boyle, the former Georgia (Vanilla) Bolden, is now living at 612-A 3rd Ave., S. E., Ceder Rapids, Iowa, and writes that she has three children, ages 9, 12 and 15. She told of her brother, Carl, being a gunner on one of Uncle Sam's ships, and he has been added as another of the many Barium alumni doing their part in this conflict.

Mrs. Melvin Paul Wright, formerly Elise Beck, wrote from her home, 233 Ingraham St., N. W., Washington, D. C. that her sister, Mozelle, and Mozelle's little daughter had attended a party at the White House. Mozelle's husband is one of the President's bodyguards, and the three of them each received a gift personally from the President. Elsie also gave us the address of Harold Bustle, Garland Caudill and a new address of Sam Bernardo. Another sister Mrs. Lucille Beck Jordan lives at 1018 Paul Drive, Rockville, Md., and works with the U. S. Public Health Service.

Friends will so deeply regret to learn of the death of William Cranfill's bride only a few months after they were married, death resulting from a fatal accident when the car she was driving skidded and crashed into a street car. She died four hours later of a skull fracture. They were married on October 14, 1942. She was the former Shelia Carlton. They were living in Chicago. William is now in the service and his address is ASN, 36645269, Co. B, 55th Bn., M. R. T. C., Camp Barkeley, Texas.

Marley Sigmon was graduated from Appalachian Teachers College in May, Helen Thomas will be graduated from Flora Macdonald in June and Helen Price will finish at Appalachian after a six weeks' course this summer.

Recent alumni will be interested in learning that Private John T. Keever, brother of Mr. Homer Keever, of the high school faculty, is a prisoner of war. He had been reported missing since February 17th.

New Recruits.

The April Messenger carried extracts from Mr. Johnston's letter of March 2nd to those in the service, and since that time the following have entered some branch of Uncle Sam's forces: Jack McCall, Tom McCall, Grover Ingram, Charles Starling, Charles O'Kelley, Paul Horne, William Cranfill, Elwood Carter, Mary Elizabeth Sanders, Joe Ben Gibbs, Wallace Twombly, Richard Martin, Jack Weeks, Marshall Norris, Richard Shoaf, Donny Bolton, Pleas Norman and Jimmy Stafford. The last five were graduates in the 1943 class.

Promotions.

Many of the Barium boys have been promoted, and among those who have been advanced are James Shroyer to AMM 2-C. Jimmy Dorton to AM 2-C AB, Joe White to Ensign, Bob Johnston to Second Lieut., Jim Johnston to Major (there is rumor of another promotion), John Donaldson to AMM 1-C, Lacy Beshears to Seaman 1-C, Dalma Jessup to Sgt., John Irby McDonald to Sgt., Billy Bobbitt to Warrent Officer, John Lee to Captain, Roland Gant to 2-C Baker, and Bobby Bosworth, Henry Alessandrini, Henry Pittman and Arthur Roach all to privates first class.

Wounded.

So far as is known, Sgt. John Irby McDonald was the first Barium boy wounded in the war. He was recuperating in the hospital at Fort Snelling, Minn., but has now recovered and has been assigned to another group for overseas duty. Roy Townsend spoke of recuperating, but it wasn't clear whether it was from wounds or not.

Visitors.

Everytime one of the boys gets a furlough and can possibly do so he is a visitor to Barium Springs. Among recent visitors (both boys and girls) were J. D. Lackey, Leslie Smith, Wallace Twombly, Mrs. Alice Jones Bender, Mrs. Laura Smith Boro, who is now in the signal corps at Arlington, Va.; Mrs. Laura Lee Norman Todd, Sgt. Dalma Jessup, Second Lieut. Bob Johnston, Mrs. Lucille Norris Wilson, Corp. Carson Wood, Harold Bustle, Corp. David Flowers, Gwyn Fletcher, Rufus Long, Mrs. Helen Moore Floures, Tilton Bundy, Marley Sigmon, R. G. Calhoun, former school principal who was commissioned a Second Lieutenant, was also here.

Appreciation

In a recent issue of The Messenger, we gave you extracts from one of the boys in which he was voluntarily writing about how much Barium Springs had meant to him through the Sunday School lessons that were taught on drinking. In this issue of the paper, we are going to take the liberty of quoting from another letter which is typical of so many statements coming to Barium Springs about how the boys feel regarding their Home. It is a place of which they are proud, and there will undoubtedly be a sense of pride in the hearts of the many friends of this Home to read what this graduate has to say:

"Mr. Johnston, I want to try to express my sincere appreciation for all that Barium has meant and did for me. There isn't a better place. Most people have the wrong idea, I think, about the orphanage, but I, for one, can tell them that it is the best place in the world. It is like a world in its own. You come to know everyone so well that they feel like your own brothers and sisters.

"I often wonder where I would be and what I would be doing had I not gone to an orphanage, but then I forget all about that when I start thinking of how much fun I had at Barium. I know I would never have had half those good times outside.

"I do appreciate everything, especially you, Mr. Johnston. I can now get a slight idea of how you have to worry. You have your own boys in, and then there's all the Barium boys, too. I know, Mr. Johnston, that everyone of their prayers bring you in. You've been swell, a real father."

Outside Praise

Here is a letter voluntarily written by an individual - a letter that should make the friends of Barium Springs proud of the product that is being turned out:

"I am writing this letter for no other reason than a belief that praise should be given where praise is due. It concerns one of your boys that has come out of Barium.

"I have been at Davidson for four years and have known many fine boys that have come from Barium. Since coming into the army last week I have gotten to know better another one of your fine boys (the name was given in the letter). He is genuine through and through. I have seen many supposedly fine boys break down just as soon as they got here and conform to the common 'cussing', poker playing and 'jolly good fellow' stuff that is so prevalent. But ——— is standing absolutely steady. He is continuing his church habits - twice on Sunday and at prayer meeting this past Wednesday.

"I think you can count on him being a credit to Barium wherever he goes because he is going to make a fine soldier and a fine success in life."

Miss Gaitley and Mr. Chandler Wed in April

From The Statesville Daily.

An account of the marriage of Miss Anne Gaitley, member of the faculty of Barium Springs high school, and Wallace Scarborough Chandler is of interest here. The marriage was solemnized in Trinity Methodist church at Red Springs on April 8, with Rev. Henry Ruark, pastor of the bride, officiating.

The bride was given in marriage by her cousin, W. K. Culbreth, of Lumberton. Miss Martha Gaitley, her sister, was maid of honor. Samuel A. Tuten, of Aurora and Raleigh, was best man. Ushers were N. C. Stubbs, of Pembroke, Grady W. Townsend, of Lumberton; Stanley Patton, of Louisburg; and J. Vaughn Parker, of Rockingham.

Mrs. Chandler, daughter of Mr. and Mrs. R. B. Gaitley, of Red Springs, was graduated from Flora Macdonald College in 1941 and has since been a member of the Barium Springs high school faculty.

Mr. Chandler, son of Hugh H. Chandler and the late Mrs. Chandler, of Rockingham, attend Louisburg College, and when called into the Army was a member of the senior class of State college, where he belonged to the enlistment reserve corps.

Miss Theoria Strong and Miss Mary Stuart McGoogan, of the Barium Springs faculty, attended the wedding.
